**Agenda Item: Approval of July 9, 2015 Meeting Notes**

**Discussion:** The draft meeting notes were reviewed and approved.

**Action:** Lisa will send out draft to attendees for review. After reviewed will send to Linda Fech for posting.

**Agenda Item: 2016 Meeting Dates**

**Discussion:** The group was asked if they wished to continue with the current bi-monthly meeting schedule, or if they wished to go to a quarterly meeting schedule. After a brief discussion it was determined that the group would keep the current schedule, but meetings could be cancelled if there was not enough topics for discussion to merit a meeting or not enough members could attend.

**Agenda Item: CarFit update**

**Discussion:** There were 29 Injury Prevention Coordinators and state employees trained at the two day workshop. There were 15 cars that went through.

Region 2 (North Oakland, Macomb, St. Clair Counties) are planning a CarFit event next spring.

Kim Lariviere and Linda Fech each hosted an event, and each learned more at those events. There was a lot of interest from people to help. There was some discussion on having law enforcement at the events, and how having officers in uniform may be intimidating. It was suggested that officers wear "soft" or "fatigue" uniforms (if allowed by their departments).

The CarFit newsletter ranks Michigan as #13 in 2015.

**Agenda Item: Safe Driver Smart Options**

**Discussion:** Stu showed the website (was not able to be seen by those on the phone) which is currently only available for viewing for people on a state server. The webpage should be completed by November 30, 2015 and live at that time. There is a press conference scheduled on December 7, 2015 with Secretary of State Ruth Johnson to make the announcement of the website. In early 2016 MDOS will take over the website from MDOT. It was suggested that links to the OC88 form be on both the Professionals and Family & Friends tabs. Sheriff Cole suggested that crash data be added to the Professional tab.

**Action:** Stu will continue to work with MDOS & IT people to finalize the webpage. All SMWG members are encouraged to attend the press conference on 12/7/15 at 10am at the State Library.

**Agenda Item: MDOS Alternative Transportation List**

**Discussion:** Eric showed the MDOS website and the listing of transportation providers listed there. It was compared to MDOTs list. MDOS list included smaller non-profit agencies (handout provided), MDOTs had the larger transit agencies and private charter/limo carriers. Linking the two was suggested.
